We are a gallery for contemporary, brutalist & modern design, art and furniture from Belgian and International artists, designers.

We offer atypical work, curated and collected through our exhibitions program or either in our interior planning studio.

We welcome our customers, architects, designers and artists, to a place that caters to their specific needs, whether it's our gallery or the adjacent project space.

We are St  phanie Fredericx, with a background in Belgian fashion and in shoemaking, and Christophe Urbain, entrepreneur and co-director at Barb   Urbain gallery in Ghent.
