Artist /Designer

Studio Jumandie Seys
Based in Belgium

PROFILE

Jumandie Seys is in a search for pure expression of form and material, he designs objects with a sculptural purity. His work is characterized by a constant dialogue between contrasting elements and the search for balance. He tries to redefine classic rules by combining modern and digital mediums with artisanal crafts. A multidisciplinary creative studio forever in search for balance between form and material. Driven by a bold artistic sensitivity, equally embraced by technicality to give life to compelling narratives.
